Subject: Docket # 98P-0151/CP1

I am writing with regard to the above Docket # and ask that you stop the slaughter of downed animals.

Downed animals, because of their condition, pose a health risk to those people who insist on eating meat. But my concern is for the animal who must suffer additional inhumane processes prior to death.

Please do all you can to stop the inhumane processing of downed animals and grant petition 98P-0151/CP1.

Sincerely

Pam Rohlfs
