To: Mr. Michael Friedman
From: Mrs D. Principato, Concerned defender of animals

5334 '01 MAR 19 P3:

Dear Sir,

I am 73 years old and have always owned a dog and love all animals. Belong to PETA and am very upset about animal testing. Substituting in vitro tests instead of inflicting pain on defenseless creatures is not a large task for anyone.

Well pray you see the unnecessary cruelty inflicted every day and see the light. Prayers are answered, sir, has sure God is on our side.
