Stagg:

4/23/01

This letter is to urge you to grant Farm Sanctuary's petition to prohibit the slaughter of downed animals - docket # 98P-0151/CP1.

The animals should not enter the human food chain, if they are too sick to stand.

Downed animals comprise of such a small percentage of slaughtered animals, that prohibiting their marketing will cause no undue economic hardships. Just more humane business.

Concerned
