DEAR MS. HENNEY,

I'M WRITING TO EXPRESS CONCERN ABOUT THE INCLUSION OF GENETICALLY ENGINEED FOOD AS INGREDIENTS IN FOODS MARKETED TO THE PUBLIC.

IN PARTICULAR, I ENCOURAGE THE FDA TO SUPPORT A PETITION GENERATED BY THE CENTER FOR FOOD SAFETY. PLEASE DO NOT ALLOW FOODS OR PRODUCTS THAT CONTAIN G.E. INGREDIENTS TO BE RELEASED FOR CONSUMER USE UNTIL ENOUGH STUDIES/EVALUATIONS HAVE BEEN COMPLETED BY THE FDA. IF SUCH GENETICALLY MODIFIED FOODS ARE PERMITTED INTO OUR FOOD SUPPLY, PLEASE MAKE CERTAIN THAT THEY ARE PROPERLY DESIGNATED AND CLEARLY LABELED. CONSUMERS SHOULD ALWAYS HAVE COMPLETE INFORMATION ABOUT THE FOOD PRODUCTS THAT THEY PURCHASE.

I AM COUNTING ON THE FDA TO PROVIDE STRONG LEADERSHIP AND CONSUMER EDUCATION IN THIS NEW AREA OF CONCERN.

SINCERELY,

Rankin
