Jane Henney, Commissioner FDA
Docket # 00P-1211/CP1
5630 Fishers Ln., Room 1061 (HFA-305)
Rockville, MD 20852

I am writing to request more comprehensive government regulation of genetically-engineered foods as I am deeply concerned about their many effects on us:

1) Loss of biodiversity of our crops
2) genetic drift that will alter regular crops
3) ↑ allergies + other health problems
4) ↑ reliance on chemicals to support these crops.
5) Control of the world's seeds through patents owned by a few corporations.

Thank-you for listening

Jane E Beauvais, Lic Ac.
