Room 1061 (HFA-305)
Docket No. 00P-1211/CP1
Rockville, Md. 20852.

Dear Ms. Henney -

As concerned consumers, my husband and I feel that it is absolutely critical that there is safety testing and labeling of all genetically engineered foods.

The U.S. public certainly have a right to know what foods they are purchasing and eating.

We would very much appreciate your attention to this vital matter.

Thank you.

Sincerely,
Frances and Allan Kelley
