Jane Henney, Commissioner
Food and Drug Administration
Docket # 00P-1211/CP1
5630 Fishers Ln., Room 1061 (HFA-305)
Rockville Md. 20852

Dear Ms. Henney,

I write to you regarding my concern about genetically-engineered foods. I believe that we need a much better picture of the long term effects of such food before they are released on the market.

I would therefore urge you to support the petition of the Center for Food Safety, requiring long term testing of genetically-engineered foods along with stringent labeling of products already on the market.

Thank you,

Jacqueline Kudler
