1/28/2001

Dear Commissioner,

I am very concerned about genetically modified foods. We support

* manditory labelling of all foods
* strict regulations for the health & safety testing of GMOs
* requirements for comprehensive assessments of environmental risks associated with GMOs.

I believe this is docket # OOP-1211/CP1

Thank you for your attention in this matter.

Sincerely,

Miriam Goin & David Goin
559 Camino del Monte Sol
Santa Fe NM 87501

OOP-1211
