To Whom It May Concern:

I am a concerned citizen of this Country, a nation that once was "a nation under God". I am asking the FDA to please refrain from making the morning-after abortion pills available over the counter. Please do not let pharmacists dispense this drug over the counter without a doctor's prescription also. These pills do not prevent abortion - in fact they are abortion. As you can see I am "Pro Life". We

my husband & I, could not have our own children so we adopted a child. To this day we thank God for this availability to adopt. Their are many couples in this same situation & would love to adopt children. Why kill baby's? Only God has the right to take a life. Life is so precious. The common description of the morning after pill is misleading the public. Please "Don't Do It"
