BEAVER BROOK FARM
MILL NECK, NEW YORK 11765

Dear FDA,

I use to live in California where a neighbor was forcing starvation on his chickens just to get a few more eggs. I was appalled by such an action and pleaded with my neighbor to stop such cruelty, he started feeding the chickens again. Now I plead with the Egg Production Companies to

Please include our names on the petition, #98P-0203/CP.
