Dear Sirs / Madame

Re DOCKET # 98P-0203/CP

Please come quickly to the decision to ban forced molting of "laying" hens. This practice is extremely cruel and inhumane to the birds. Even if we have no concern for animal suffering, we are aware that this practice increases the spread of Salmonella infection. That should be enough for even the most uncaring human.

Respectfully
Dorothy C. Ramsaier

P.S. May I hear from you on this?
