Dear Administrators,

My family and I are very opposed to forced molting of poultry. It is very cruel to the birds and also spreads Salmonella Enteritidis. We strongly urge you to grant the petition filed under

DOCKET # 98-P-0203/CP.

Please give us your reply at your earliest convenience.

C 701

98P-0203

Thank You,
Cordially,
Dr Joyce Bloom
