Dear Mr. Jaffe:

As a caring consumer, I am dismayed at the cruelty and suffering that forced molting has on layer hens. Their lives are short and unpleasant, without such added inhumane treatment. I support the petition to ban the forced molting of layer hens, docket 98P-0203/CP.

Please keep me advised as

(over)

98P-0203

C 111

to the disposition of this petition.

Thank-you.

Sincerely,

Marianne Pares
