April 2, 1999

Harriet Greene,
Box 14,
Kelly, Wy. 83011

Dear FDA, 7802 '99 APR 13 A9:42

I want conspicuous & prominent labelling for all irradiated foods, including irradiant ingredients, adequate signs on bins for irradiated bulk produce, & that the labeling for irradiated foods should be permanent just like other types of consumer labeling. The Codex labeling requirements require that all irradiated foods be labeled "irradiated". I also want the "radura" symbol used.

Harriet Greene
