To Whom It May Concern, 4/9/99

I hear FDA is planning to remove all current labeling requirements for irradiated foods! This is very upsetting - I want to know & feel I have the right to ask for continued labeling please!

I'm referring to Docket # 98N-1038 "irradiation in the production, processing & handling of food" and I'm asking for your support for continued use of the "Radura" symbol & the word irradiated.

Thank you Betsy Gilbert
