Gardiner, Me.
April 16, 1999

Dear Mr. Jaffe:

I am writing to express my concern regarding the forced molting of layer hens in egg production. The suffering caused by withholding food and water is inexcusable.

I 100% support the petition to ban the forced molting of layer hens (docket 98P0203/CP). Please represent my feelings in this matter.

Thank you,

Sincerely yours,

Leona M. Fowler
