Rockville, MD 20852

Irradiation - that MOST specific word - needs to be included on food labels - thereby ensuring that ALL consumers are well informed and can make better adult decisions. Please keep this in mind as you make decisions regarding Docket No. 98N-1038 and decisions about how and what information will be given to us all Americans so we may be free to choose foods for our health.

You have my sincere thanks.

Joanne Wojtkowiak
