Dear Mr. Lyle Jaffe —

I wanted to write to you personally & express my support in the petition to ban the forced molting of Layer hens. To subject these creatures to such unneccesary agony all in the name of the almighty dollar seems and is such an uneducated/inhumane choice. Animals are treated in this world so many times in such cruel manners and if I can urge those in power to use their power to stop these practices I will do so as long as I have breath. Thank you in advance for your help.

Sincerely,

Kathie E. Chipouras
