Commissioner
U.S. Food and Drug Administration
12420 Parklawn Drive
Rockville MD 20857

APR 16 A9:16

Dear Sir:

We are writing to urge you to promote a change in the totally reprehensible way downed animals are handled. Inhumane treatment should be outlawed.

Docket No. 98P-0151/CP1 we understand will stop this slaughter; it must certainly have your support.

May we please hear from you on this important matter.

Sincerely,

Lee Hulsker
