2 Evendell Rd.
East Rockaway, N.Y. 11518
April 8, 1999

Dear Dr. Sundolf.

I urge you to ask the FDA to ban antibiotics use to promote growth in farm animals. It is an unnecessary and inhumane practice that comes cause ill effects on the animals and the people who eat their meat.

0089 99 APR 15 A9:13

Sincerely, (Mrs.) Margaret S. D'Agnessa
