Please ban the forced molting of laying hens. In forced molting, feed is withheld for several days - to cause the hens to produce more eggs.

Not only is this inhumane, it also increases the occurence of the "Salmonella enteritides - a food-borne; PATHOGEN; CAUSING WIDESPREAD HUMANE ILLNESS!"

IF YOU KNOW THIS - THEN why TO ~~You~~ YOU STILL LEGALISE IT!

Call myself R.S.V.P.
AT (314)9624687 (UL)
AND EXPLIN Why

Yours,

Mr. George H. Estes
