4/9/99

Dear Mr. Jaffe,

I wanted to let you know that I support the petition to ban the forced molting of layer hens (Docket 98P-0203CP). It's bad enough that hens are put to such a cruel death, but to force them to endure atrocities such as broken bones, hemorrhaging & abscesses while alive is downright sadistic. Please help put a stop to this now! Thank you
