April 14, 99

To whom it may concern,

I am respectfully asking you to ban the forced molting of laying hens.

01 03 '99 APR 19 P1:28

This is a very inhumane thing to do, and also increases the occurrence of the Salmonella enteritidis, causing widespread human illness.

Please, dont ignore my plea, and see what you to help. Thank you

Liliana Simon
