Dear Dockets Management Branch (HFA-305) FDA,

I'm writing about Docket # 98N-1038, "Irradiation in the production, processing, and handling of food." Please keep labeling irradiated food. We need to know if a food is irradiated, so we can make a wise choice for against buying it, and eating it. We need to know. Please do not remove all current labeling requirements for irradiated foods. Do not remove any!

Thanks.

Sincerely,
Peggy Clark Lumpkins
