Jeanne and Jim Manning
Cottage 310, Sea Island, Georgia 31561

April 18, 1999

Dear Sir or Madam,

0472 '99 APR 26 A11:36

I am writing to state my opposition to a Draft Memorandum proposed by the FDA which defines "inordinate amount" so as to restrict the availability & right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Sincerely,

Jeanne Manning
