April 21, 1999

To whom it may concern,

I oppose the Draft Memorandum being proposed by the FDA — and particularly the definition of "inordinate amount" which you know well restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

99 APR 27 A9:57

The FDA is exerting too much authority and favoring the large multi-million dollar pharmaceutical houses.

Sincerely,

Yona Toso
