FDA
Docket NBR 98N-1038
Dockets Management Branch (HFA-305)
5630 Fishers Lane, Room 1061
Rockville MD, 20852

Dear Sir or Madam —

I am writing to voice my PROTEST of loosening current FDA LAW to conspicuously TELL me (the consumer) IF A PRODUCT WAS IRRADIATED. I WANT TO KNOW, AS I do NOT BUY IRRADIATED PRODUCTS.

I am against any attempts to making the distinction between irradiated foods less clear on labeling —

Thank you,
