Re: Irradiated Food Labeling

Greetings:

This is to register my opposition to a change in the current requirements that foods treated by irradiation bear prominent declaration of this treatment.

As consumers we want to continue to be able to easily see the irradiation logo and the narrative declaration that food has been treated by irradiation.

Please do not reduce the size requirements for the logo or labels in regard to irradiation of foods.

Sincerely yours,

Dorothy J. LeGeyt
(Mrs. Dorothy J. LeGeyt)
