In the realm of Nature, there is nothing purposeless, trivial or unnecessary.

Maimmonides (from "The Guide for the Perplexed")
Jewish Philosopher (1135-1204)

DEAR SIRS:
I THINK IT'S CRUEL, + INHUMANE, THIS FORCED MOLTING OF LAYING HENS TO PRODUCE MORE EGGS - PLUS INCREASING OCCURANCE OF SALMONELLA ENTERITIDIS. + ANTIBIOTICS, AND THE USE OF ANTIBIOTICS AND HORMONE PROMOTERS FOR FARM ANIMALS. FACTORY FARMS ARE A SIN + BLIGHT AGAINST GOD'S CREATIONS. GOD WILL PAY.
