4-22-99

To whom it may concern at FDA

I oppose the draft Moncradum
2279 '99 MAY -3 A10:27
being proposed by the FDA
which restricts the availability, and
the right to obtain medically
necessary compounded medications by
limiting the number of prescriptions
that can be shipped across state
lines from specialized compounding
pharmacies.

Eugenia Ventura

Ps. whose Idea was this
anyway, this is suppose
to be a free country
