Dear Ms. Heuney,

In re: Docket 99P-0033/CP1.

Please lend your support to two formal legal petitions filed by the Humane Farming Assoc. asking that the Federal govt. act immediately to monitor + prevent mad cow desease in the U.S. U.S husbandry practices are nothing to be proud of! Please consider legislation to stop the practice of feeding dead pigs, horses and other animals to other farm animals. This practice has dire consequences for human + animal health.

Sincerely,
Celia Hewman
