Dear Ms. Henney, Docket 99P-0033/CP1 April 23, 1999

Please act on the HFA petition to put an end to the practice of feeding dead pigs, horses, and other animals to other farm animals. Cows aren't meat eaters by nature and they shouldn't be forced to eat dead animals.

As you know, this practice endangers humans as well. There is suggestive evidence that TSE disease may already infect pigs, cattle and squirrels, & are prone to exist in sheep, deer, elk and mink which could possibly lead to CJD and nvCJD in humans. Why take the risk?

Sincerely,

Mrs. Ms. J. L. Denison
