Dear Commissioner Henney, 4/27/99

Please Do the Intelligent Thing & Do All You Can To Ban the Use Of Antibiotics In Animal Feed. The EEC Recognizes this Fully And So Should We. These Additives Can Leave MD's With No Way To Treat People When These Additives Train Bacteria To Resist Antibiotics Used By The Doctors.

Give Us All A Break And Ban Use Of Growth Additives In Animal Feed. Call Me If I Can Be Of Help In This. Thank You.
