Jane E. Henney
Commissioner, FDA
Rockville, MD

5955 '99 MAY -5 P1:52

Dear Ms. Henney:

The debate over the safety of genetically engineered foods seems to me less important than the right of consumers to make informed choices. If I choose not to eat any foods that are genetically engineered, that is my right. But I cannot make that choice if such foods are not labeled.

Therefore, it is essential that the FDA require clear labeling of all genetically engineered food. If that
