MAY 1, 1999

To whom it may concern:

I am writing to urge those of you in control at the FDA to BAN FORCED molting !!!

It is cruel & unnecessary torture for these hens, to go an average of 8 days without food, water & light !! 12 DAYS! Even one would be horrible for any human or animal, and there is nothing to protect them.

Please make the decision to ban forced molting !!

Sincerely
Nik Graves
