'99 MAY 10 P2:04

Dear F.D.A.

This is in reference to Docket #98N-1038, "Irradiation in the production, processing + handling of food." Regardless of my strong opposition to irradiating food, I understand that this practice is now going to increase. I hope, at least, that the labeling of irradiated food, will be prominent and explicit as to what it really is.

Sincerely,

Sylvia Caris
