5-8-99

Dear Sirs:

I am writing with regard to the memorandum of understanding concerning the practice & interstate distribution of compounded drugs - specifically Docket No. 98N-1265.

I am requesting that the MOU be amended & no later than May 27, 1999 (so they can be received by the June 1 deadline)

The MOU, as written, severely limits the practice and interstate distribution of compounded drugs which places further unnecessary restrictions on consumer choices and commonly accepted professional pharmacy compounding practices.

The MOU, as written, severely limits the interstate distribution of compounded prescriptions, but has no concern for limiting

98N-1265

C 2044

the same distribution practices for noncompounded prescriptions? Please acknowledge the double standard and amend Docket No. 98N-1265!

Sincerely,
