Mr. Jaffe, 5/8/99

I support the petition to ban forced molting of layer hens (docket 98P-0203/CP.) This is a cruel practice driven by profit motive. Our species treatment of fellow living being is too often just atrocious and forced molting is one good example of such behavior. Hens can't protect themselves from our species cruelty - please support docket 98P-0203/CP.

Good deeds do not go unrewarded.

Sincerely, Jan Kemmera
