Dear Sirs:

0788 '99 MAY 17 A10:08

In its present form, the MOU, as well as the Compounding Section 503A of the modernization Act, severely restricts the rights of physicians and patients to obtain healthcare products from the provider of their choice, and infringes on the rights of compounding pharmacists to serve the public's medical needs. As a healthcare consumer, I feel there should be no restrictions to the delivery of a compounded medication prescribed for me, regardless of where I may live or travel. The MOU must be amended.

Sincerely yours,

Robert Toland +
