Re: Docket No. 98N-1265

To Whom It May Concern:

I am urgently requesting that the MOU be amended. In its present form, the MOU, as well as the Compounding Section 503A of the Modernization Act, severely restricts the rights of physicians and patients (like myself) to obtain healthcare products from the provider of my choice, and infringes on the rights of compounding pharmacists to serve the public's medical needs.

The compound I have been using C2273 for more than 10 years has helped me, as my family history and physical situation require special alternative amounts compounded to meet my needs. I will be in real trouble without my right to maintain my health as my doctor and I see fit.

98N-1265

Yours truly,
Renée Feingold
