Dear FDA - Re: Docket No 98N-1265

I am writing to inform you that I am against the Memorandum of Understanding that was published on Jan. 21, 1999.

The MOU restricts my rights to alternative prescriptions. There are many like myself who prefer more natural ingredients instead of synthetics. DO NOT TAKE OUR CHOICE AWAY FROM US.

There should not be any restrictions on compounded medication prescribed for me by a licensed physician that I choose.
