RE: Docket No. 98N-1265

Dear Ladies and Gentlemen,

Please amend the memorandum of understanding concerning section 503A which governs the practice of pharmacy compounding. I receive some drugs (prescription!) from out of state because they are of a higher quality than I can get locally. It should be my right to do so. Physicians and patients should be able to obtain products from whomever they wish. The compounding pharmacies' rights should not be infringed upon either.

Please amend the MOU, as well as the compounding section 503A of the modernization act so our rights and freedom are protected.

Thank you.

Sincerely,
Mary Fontenot
