Dear Ms Henney, 07 May 99

5204 '99 MAY 21 P1:40

As a concerned citizen and member of the medical community I would like to urge you to save human lives by banning the use of medically useful antibiotics in animal feed.

This practice allows the growth of bacteria resistant to antibiotics and leaves no defense against them.

With no available treatment we will see many lives lost unnecessarily.

Please listen to the advice of the medical community and support the ban on the use of antibiotics in animal feed.

Thank you for your attention,

Linda D Darmstead/ MT (ASCP)
