Commissioner Jane E. Henney
Parklawn Building Rm. 14-71
5600 Fishers Lane
Rockville, MD 20857

Dear Ms. Henney:

I urge you to ban the use of medically useful antibiotics in animal feed. Adding antibiotics to animal feed to promote growth can result in bacteria resistant to antibiotics. This could put the lives of humans infected by these resistant bacteria in jeopardy.

Yours truly,

Robert Flaherty
