Re: Docket # 98N-1038, "Irradiation in the production, processing and handling of food.

Please label our food and use the terms clearly "irradiation or irradiated" and use the radura symbol prominently on the items. Alternative terms such as "cold" or "electronic pasteurization" are dishonest. Please protect your citizens such as your families and friends, especially the children who do not have protection for their health.

Sincerely,
Valerie Wilkes Spencer
