To: FDA
Dockets Managmt Branch

To whom it may concern:

I feel fortunate to be able to get my medication from a compounding pharmacy; and I hope I will be able to continue to do so.

That is why I am writing concerning concerning amending the MOU, as well as the compounding Section 503A. of the Modernization Act.

I don't know what I'd do if I couldn't get my medication.

Thanks for the consideration.

Sincerely

Julie Kellam
