RE: Docket No. 98N-1265

I am writing to voice + register my concern + disapproval of the MOU as published by the FDA on 1/21/99. I wanted the MOU amended! It is infringing on my rights as a patient to obtain healthcare products from the provider of my choice.

I have chosen alternative solutions to my health problems because the compounded drugs are safer for me. My body cannot tolerate many noncompounded drugs. I need the more specialized treatment + natural ingredients that compounded drugs offer me. My choice is a natural ingredients as an alternative to my health needs. Please do not infringe on my rights as a patient to chose my healthcare products.
