re: docket # 98N-103B

FDA official,

Please retain the labeling of radiated food products, using the terms "irradiatio or "irradiated" and the use of the radura symbol.

As a concerned consumer, I wan to easily be able to avoid these produ The scientific evidence continues to mount indicating that these foods m be harmful in many ways. I would like to be able to prevent chromosom abberations, tumors, reproductive failur kidney damage in my family.

Radiolic products should be unacce able in food products, and the radia of foods should be discontinued in the near future. In the meantime, let us know what we're eating.

Thank-you for your consideration,

Robin Gaura
