Regarding Docket #98N-1038

4263 '99 MAY 19 P3:54

Re Irradiation labeling

1.) I am opposed to a labeling revision. I want to <u>know</u> which foods are "cooked" this way. (Well, processed + genetically altered in this manner.)

2.) I am opposed to an expiration date for this labeling requirement.

* We deserve to know how our food is processed. Please keep a labeling requirement.

Sincerely
Patricia Fields
