5/20/99

To whom it may concern,

I oppose the Draft Memorandum being proposed by the FDA 30 '99 MAY 27 A9:45 to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies. We deserve that availability as American Consumers.

Thank you,

Ms A. Lori Braun
